

LEED ID+C: Commercial Interiors (v2009)

SILVER, AWARDED MAR 2016

4 LEED STARS

6 LEED SITES

2 In-Im

AWARDED: 16/28

SB101	Integrate site design to reduce impact on the environment.	4 / 5
SB102	Provide access to transit, non-automobile modes of transport, and local amenities.	6 / 6

SB103 Site selection and location planning

SB104 Site development and protection

SB105 Site stormwater management

SB106 Site energy use

SB107 Site materials and resources

SB108 Site waste minimization

SB109 Site biodiversity

SB110 Site water use efficiency

SB111 Site indoor air quality

SB112 Site materials and resources

SB113 Site energy use

SB114 Site water use efficiency

SB115 Site waste minimization

SB116 Site biodiversity

SB117 Site indoor air quality

SB118 Site materials and resources

SB119 Site energy use

SB120 Site water use efficiency

SB121 Site waste minimization

SB122 Site biodiversity

SB123 Site indoor air quality

SB124 Site materials and resources

SB125 Site energy use

SB126 Site water use efficiency

SB127 Site waste minimization

SB128 Site biodiversity

SB129 Site indoor air quality

SB130 Site materials and resources

SB131 Site energy use
