

Hi Children's School Campers!

This week, we're focusing our bug theme on . We're excited for all the exploring you'll get to do this week...

*Dramatic Play with Mr. Allen:* Every week, Mr. Allen will create a playful video exploring the ways that pretend games help us stretch our brains while having fun too. [Join Mr. Allen this](#)

*Read Aloud with Mrs. Opferman:* Read [The Crunching Munching Caterpillar](#) by Sheridan Cain. Get your notebooks and something to draw with ready – you're going to draw the life cycle of the butterfly. To learn more about the transformation, watch [this video](#)
