8 1/2 x 11 Newsletter - June 18, 2009

June 18, 2009 Vol. 19, No. 47

Cleotilde Gonzalez, associate research professor in the Department of Social and Decision Sciences and director of the Dynamic Decision Making Laboratory, recently spoke to a large group of faculty in computer science, psychology and management at the Wy sza Szko a Biznesu (National-Louis University) in Nowy Sacz, Poland. In collaboration with Christian Lebiere, a research faculty member in the Department of Psychology, Gonzalez recently
