Institutional Research & Analysis

Campus Community,

The Carnegie Mellon Factbook is a compilation of commonly requested data and statistical information about Carnegie Mellon. It includes information about students, alumni, faculty and staff. The Factbook may be used to find information on admissions, enrollment, teaching, research, and university finances and facilities. The Factbook also provides useful comparative data from other universities. The data presented in the tables and graphs are from internal sources except where noted. The terms used are defined on the introductory page of each section and also in the appendix.

The Carnegie Mellon Factbook is produced annually for use by members of the campus community and is intended primarily as an internal document. We encourage you to bookmark this document and use it as a reference. This publication is available on the Institutional Research & Analysis website at <http://www.cmu.edu/ira/>.

We want this book to be a reliable source of accurate and useful information. Your suggestions and comments on the contents, format and usefulness of The Factbook will help with the continual improvement of this information tool. Please feel free to contact us at ir-a@andrew.cmu.edu with any questions or suggestions regarding this report. If you wish to contact a specific staff member directly, see the below listing.
